PHYSICAL DESCRIPTION:

This is a Federal style house with two additions. The core is a three-bay, two and a half story end gable house with one interior end chimney. It has an end gable asphalt shingle roof and molded cornice. A wall dormer has been added; this gabled dormer has two six over six double-hung windows with shutters. Two other items of note are the pent roof and Greek Revival-style door framing (the door jambs are fluted pilasters). The first addition is one-story, gabled, with eight over eight windows double hung with shutters. The rear addition is two story on a perpendicular axis.

Associated Resource: Garage: There is a contributing, two story frame garage building associated with this house.

Classification: This house is in fair condition. The end addition and dormer make the house a Class II resource.
