Cook Tract NPDES Permit Plans (Sheets 1 of 8 through 8 of 8) prepared by Hibbeln Engineering Company, LLC Consulting Engineers in conjunction with Land Concepts, Plan Dated March 24, 2011, Plan Last Revised September 21, 2011.

Date Issued: December 1, 2011

Completion Date: June 1, 2012

Description of Work:

Grading and earthwork associated with the depositing of 550,000cy of clean fill material (soil and rock less than 18" in diameter only). The work also includes installation of haul roads, erosion and sedimentation controls and stormwater facilities. All work must be performed in full conformance with the Final Fill Material Placement Agreement dated October 4, 2011 and PennDOT, PA D.E.P. and M.C.C.D. regulations. All necessary permits must be obtained prior to starting any work requiring a Permit. The Contractor (Or Applicant) must notify Whitpain Township's Engineering Department (610-277-2400) at least 72 hours prior to starting work. The Contractor (Or Applicant) must also contact the Township once work is completed for a final inspection.
